Judging Reflections

Reflections judges are experts in their arts categories. Evaluations are based on Creativity, Technique, and (most importantly) Interpretation of the Theme, “Heroes Around Me.”

The local contests use traditional awards designations (1st Place, 2nd Place, 3rd Place, and Honorable Mention). National Reflections uses different designations:

- **1st Place** = Award for Outstanding Interpretation of Theme
- **2nd Place** = Award of Excellence
- **3rd Place** = Award of Merit

The Director’s Award is a local prize awarded at the contest director’s discretion to outstanding work that was not chosen by the judges.
